“ Tony was a happy man and loved family gatherings. He always had a big hug for any one. He liked to walk to the store and talk to people. We have not seen him in a few years, but family members would tell us how he was doing. Sending love to Juanita and the family.

“ Tio Tony was a very loving person. He would greet you with a big hug and so happy to see you, another hug. Tio Tony loved his mountain dew. He would even play hide and seek with all us cousins in Tia Juanita's basement. He has left us with so many memories, I could be here all day writing them down. And when it was time to leave again you get two big hugs always. Love you Tio Tony
