“ Brandon and I graduated in the same class. We also rode the bus together. I remember our many chats in the morning while commuting to school. He was a kind person. I am very sad to hear about his passing. My thoughts are with his family & friends.

“ I saw this and I immediately thought of the time I went down your slide backwards and put that nail through my hand. I still have the scar lol. I used to have a lot of fun with him out on Union. Hope you're well.

Brandon is no longer hurting but rejoicing and celebrating his homecoming with his loved ones. It's not good bye, it's we will join you in a little while. Sissy you were the best mother and Brandon loved you dearly. You were each other's rock. Brandon knew you would always be there for him. We love you and we are praying for you and the family.
