“ Aunt Eleanor is in heaven with all of her family. When I think of her is all the talks we had and the great dinners that she shared. Your children are the best they will always will keep you in there hearts. I think of all the times that Shirley and I had to leave the dinner table and go in separate rooms because we would start laughing. But good memories. I want to say to your family that I will keep them in my prayers. Mary, Shirley,Bob. And there family.
